EVENTS & CATERING

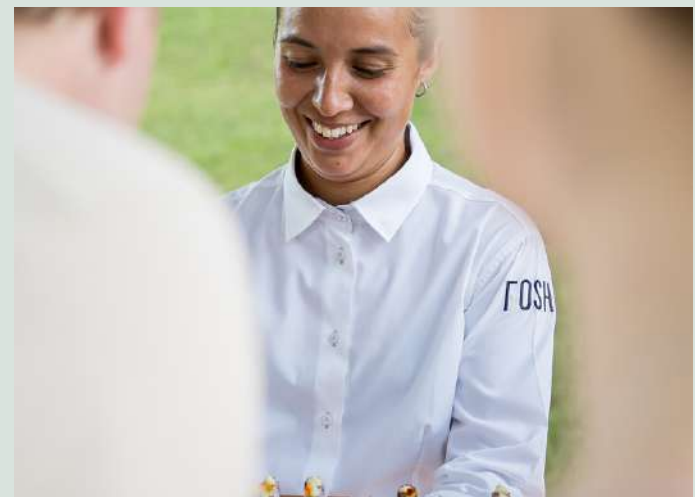

# “Memories are made with our storytelling gastronomic experiences”

- Every event is unique and our entire team brings their **creativity, passion and attention to detail** in your event
- **Our values** are reflected in the results we achieve, accepting challenges and tasking risks, while developing our skills to **constantly improve**
- Our aim is for you to return and keep on pushing us to **exceed your expectations**

# “Memories are made with intention and emotions”

- Going **beyond industry standards**, we offer 2 Catering concepts that allow us **to design a unique identity** and needs for your event
- We carefully scout over **more than 47 venues** and manage 6 of them exclusively, and beyond that, **we adapt to your preferences** and can work in any chosen space
- Crafted with local, seasonal ingredients, **our food blends sustainability** with haute cuisine. Every bite minimizes environmental impact while maximizing flavor, **supporting a greener world**
- Our **team of 150 skilled professionals** combines passion and **exceptional human quality** to create unforgettable experiences, expertly **handling every detail** on each event
